

Use meadow flower seeds or seeds collected from the garden.

- Peat-free compost.
- Water.
- Powdered clay (found in craft shops).
- Mixing bowl.

1. In a bowl, mix together 1 cup of seeds with 5 cups of compost and 2-3 cups of clay powder (you could use clay soil instead if you have it).
2. Slowly mix in water with your hands until everything sticks together.
3. Roll the mixture into firm balls.
4. Leave the balls to dry in a sunny spot.
5. Now for the fun bit!

Plant your seed bombs by throwing them at bare parts of the garden/ green space and wait to see what pops up! (check when the area is due to be mown- maybe pick somewhere un maintained!)
